

With its striking Sapele Pommele veneers, deep Sunset Cherry finish and subtle Shaker influences, Del Mar is a handsome alternative to the customary traditional office environment. Other design elements include modest base and crown mouldings and gently curving lines.

- Construction consists of wood, wood veneers and select wood product, including solid wood bases.
- Cases feature mortise and tenon construction with wood cleats, glue, screws, staples and threaded inserts with bolts.
- Drawers feature dovetailing and are constructed with solid wood sides and backs with veneer and veneer banded fronts and three-ply bottoms. Drawer interiors are sealed.
- All drawers are suspended on fully extending, metal, ball-bearing slides allowing easy access to the entire drawer. File drawers accept letter or legal sized hanging files.
- All desks, credenzas and file cabinets have adjustable floor levelers.
